The debtor(s) request that the court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the debtor(s) state that the value of the secured claim should be as set out in the column headed *Amount of secured claim*. For secured claims of governmental units, unless otherwise ordered by the court, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the column headed Amount of secured claim will retain the lien on the property interest of the debtor(s) or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

- The claims listed below were either:
 - (1) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the debtor(s), or
 - (2) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value.

These claims will be paid in full under the plan with interest at the rate stated below. These payments will be disbursed either by the trustee or directly by the debtor(s), as specified below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) controls over any contrary amount listed below. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling. The final column includes only payments disbursed by the trustee rather than by the debtor(s).

AGREED ORDER RESOLVING TRUSTEE'S OBJECTION TO CONFIRMATION

This matter is before the Court upon the Chapter 13 Trustee's Objection to Confirmation.

The parties have agreed to the following:

- Part 2.1 of the Plan is hereby amended to indicate that the plan payment shall increase to \$2,104.00 per month, effective with the July 2023 payment.
- 2. This case has several issues that concern Trustee regarding whether the Plan as proposed meets the requirements set forth in 11 U.S.C. §1325 in that the Plan was not proposed in good faith and/or does not meet the best efforts test relative to Debtors committing all available disposable income to the Plan.

- 3. The existing issues are of the nature that would otherwise need resolved before Trustee would recommend the Plan for confirmation.
- 4. In an effort to resolve the outstanding issues, the parties hereby agree that Part 5.1 of the plan is hereby amended to indicate that allowed nonpriority unsecured claims that are not separately classified will be paid a one hundred percent (100%) dividend.
- 5. Given this agreement that all allowed non-priority unsecured creditors that are not separately classified must receive a one hundred percent (100%) dividend, Trustee will review the Plan for confirmation as if the aforementioned pending issues with the case regarding whether the Plan was proposed in good faith and whether the Plan meets the best-efforts test have been resolved.
- 6. The plan fails to provide for secured creditor HUD, which filed Proof of Claim No. 1. However, HUD has not filed an objection to confirmation of the proposed plan, and the parties acknowledge that HUD is a long term debt with no monthly payments coming due during the plan term.

IT IS SO ORDERED.
